- ✓ **Easy Access To Bulbs**
- ✓ **Plus Other Standard Cecilware Features!**

Vista Series . . . Sleek, Curvy, and Attracts Attention.

Cecilware's new style of cappuccino dispensers offer a new look and the consistent reliability that brought Cecilware to the forefront of the industry. The new contemporary design and large P.O.S. display(s) ensure maximum merchandising for your cappuccino sales!

F.A.S.T. Service

Front Access Saves Time - Exclusively designed by Cecilware, allows access to major components through the front of the dispenser.

- Save money on service calls.
- Maximizes operating time.

Standard Cecilware Features

- **Fast Flow** TECHNOLOGY INSIDE Dispenses Cappuccino 30% faster, reducing Cappuccino lines and wear and tear on major dispenser components.
- **Vacuum Steam Removal System (VSRS)** - Ensures the powdered mix remains dry to eliminate clogging, caking and bridging.
- **Removable Moisture & Powder Collection Tray** - Catches excess moisture and cappuccino powder before it reaches the vacuum motor. Keeps the dispenser in top working condition.
- **Uniquely Designed Water Tank** - Maintains perfect brew temperature at all times.
- **Highly Functional Cup Guide** - Ensures product is dispensed accurately into cup. Capable of handling 8½" cups.
- **Self Cleaning Feature** - Rinse system cleans the entire whipper chamber with hot water at the end of each cycle. All parts requiring regular cleaning can be removed by hand.

- Optional**
- **Hot Water Dispense Button** - Add a hot water dispense button to sell soup or tea.
 - **SMARTSENSE Density Sensors** - Monitors cappuccino powder level, alerts operator when product hopper needs to be refilled, shuts off dispense mechanism on empty flavor hopper, and re-engages when hopper is refilled.
 - **Automatic Portion Control** - Allows an operator to dispense Cappuccino into a predetermined size cup.
 - **Side Panel Merchandising Graphics** - 19¾" w x 21½" h
 - **Custom Colors** - An array of custom color dispensers are available for large quantity orders. Contact your sales representative for more details
